3745-500-01  General administration - applicability.

(A) The rules in this multi-program chapter shall apply when referenced in either of the following:

(1) A rule in a program chapter.

(2) A rule in another multi-program chapter that was made applicable by a rule in a program chapter.

Program chapters are Chapters 3745-520 to 3745-599 of the Administrative Code.

(B) Notwithstanding paragraph (A) of this rule, no person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734. of the Revised Code, and shall submit verification that the solid waste has been properly managed.

[Comment: Prompt removal and disposal of solid waste does not relieve any obligations under state or federal environmental statutes. This may include environmental clean-up of the site or remediation of ground water contamination resulting from the open dumping.]

(C) Notwithstanding paragraph (A) of this rule, disposal of solid waste under Chapter 3734. of the Revised Code by means of open burning, as defined in Chapter 3745-19 of the Administrative Code, is permitted only as provided therein.

3745-500-02 General administration- definitions.

As used in this chapter and any chapter making these definitions applicable, terms in this rule are defined as follows:

(A)

(1) "Administrative change" means an amendment to an authorizing document that does not constitute a modification or alteration to the facility or permit to install for the facility. An administrative change is not an action.

(2) "Applicant" means any person who has applied for authorization in accordance with rules adopted under Chapter 3734. of the Revised Code.

(3) "Approved board of health" means a board of health of a health district placed on the approved list by the director in accordance with section 3734.08 of the Revised Code.

(4) "Asbestos-containing waste materials" has the same meaning as in rule 3745-20-01 of the Administrative Code.

[Comment: Asbestos-containing waste materials includes asbestos-containing materials regulated under NESHAP, 40 CFR Part 61, Subpart M as described in rule 3745-500-03 of the Administrative Code.]

(5) "Assets" means all existing and all probable future economic benefits obtained or controlled by a particular person.

(6) "Authorizing document" means a document issued, approved, or concurred with by the director, Ohio EPA, an approved board of health, the Ohio environmental review appeals commission, or a court of competent jurisdiction that describes activities that a person is either required to do, allowed to do, or prohibited from doing, pursuant to and in compliance with applicable rules, statutes, and orders. Authorizing document includes but is not limited to a permit, license, registration, acknowledgment of registration, plan, alteration, approval to use an alternative material, and order.

(B) "Board of health" means the board of health of a city or general health district, the authority having the duties of a board of health in any city as authorized by section 3709.05 of the Revised Code, or a representative delegated by the board of health to act on behalf of the board of health.

(C)

(1) "Compost facility" means a site, location, tract of land, installation, or building used for composting of solid waste in accordance with Chapter 3734. of the Revised Code and rules adopted thereunder. The composting facility includes the area of materials placement and any leachate management system structures.

(2) "Constituent" means a compound or element suspended in, dissolved in, mixed in, or comprising a liquid, gas, or solid.

(3) "Construct" means to build, reconstruct, or repair when such activity affects any engineered component of a facility. Construct does not include routine maintenance activities.

(4) "Construction and demolition debris" or "C&DD" has the same meaning as section 3714.01 of the Revised Code.
(D)  
(1) "Developed spring" means any spring that has been modified by the addition of pipes or a collection basin to facilitate the collection and use of the spring water.

(2) "Director" means the director of environmental protection or the director's authorized representative.

(3) "Disposal" has the same meaning as in section 3734.01 of the Revised Code.

(4) "Disposal limits" means the horizontal and vertical boundaries within the solid waste facility where solid waste has been disposed, is being disposed, or will be disposed within those boundaries.

(E)  
(1) "Establish" or "establishment" of a facility means to dispose of waste or construct or install any facility components and includes excavation that is related to the construction of a facility or any components thereof. Establish or establishment includes conducting such activities at any location not authorized to dispose of waste. Establish or establishment does not include clearing, grubbing, or installing ground water monitoring wells.

(2) "Execute" means to complete and sign a document acceptable to the director for the purpose of establishing a financial assurance instrument.

(3) "Exemption" means a discretionary action of the director that relieves the applicant from a requirement of Chapter 3734. of the Revised Code or any rule adopted thereunder.

(F) [Reserved.]

(G) "Ground water" means any water below the surface of the earth in a zone of saturation.

(H)  
(1) "Hazardous waste" means hazardous waste as defined in Chapter 3734. of the Revised Code and includes waste that is listed specifically as hazardous waste or exhibits one or more characteristics of hazardous waste as defined in Chapter 3745-51 of the Administrative Code.

(2) "Health commissioner" means the individual occupying the office created by section 3709.11 or 3709.14 of the Revised Code or the health commissioner's authorized representative.

(3) "Health district" means a city or general health district created by or under the authority of Chapter 3709. of the Revised Code.

(I) "Independently audited" means reviewed by an independent certified public accountant in accordance with generally accepted accounting standards, or for a publicly-owned facility, an equivalent comprehensive audit performed by the auditor of the state of Ohio pursuant to Chapter 117. of the Revised Code.

(J) [Reserved.]

(K) [Reserved.]

(L)  
(1) "Leachate" means liquid that has come in contact with or been released from solid waste.

(2) "Liabilities" means probable future sacrifices of economic benefits arising from present obligations to
transfer assets or provide services to other persons in the future as a result of past transactions or events.

(3) "Licensing authority" means the approved board of health or in the absence of an approved board of health, the director.

(M) [Reserved.]

(N) "Nuisance" means anything that is injurious to human health or offensive to the senses; interferes with the comfortable enjoyment of life or property; and affects a community, neighborhood, or any considerable number of persons (although the extent of annoyance or damage inflicted upon individual persons may be unequal).

(O)

(1) "Occupied dwelling" means the following, but does not include a dwelling owned or controlled by the owner or operator of a facility to which the siting criteria are being applied:

(a) A building used or intended to be used in whole or in part as a personal residence by the owner, part-time owner, or lessee of the building or any person authorized by the owner, part-time owner, or lessee to use the building as a personal residence. For the purposes of this definition, "owner" means a person with the right to exclusive use, control, or possess a building.

(b) A place of worship as defined in section 5104.01 of the Revised Code.

(c) A child day-care center as defined in section 5104.01 of the Revised Code.

(d) A hospital as defined in section 3727.01 of the Revised Code.

(e) A nursing home as defined in section 3721.01 of the Revised Code.

(f) A school.

(g) A restaurant or other eating establishment.

(2) "Occupied structure" means an enclosed structure where one or more human beings may be present, but does not include structures that are open to natural free air circulation such that the explosive gas hazard is minimized.

(3) "Ohio EPA" means Ohio environmental protection agency.

(4) "Open burning" means one of the following:

(a) The burning of solid wastes in an open area.

(b) The burning of solid wastes in a type of chamber or vessel that is not approved or authorized in rules adopted by the director under section 3734.02 of the Revised Code or, if the solid wastes consist of scrap tires, in rules adopted by the director under section 3734.73 of the Revised Code.

(5) "Open dumping" means the following:

(a) The deposition of solid wastes, other than scrap tires, into waters of the state, and also means the final deposition of solid wastes on or into the ground at any place other than a solid waste facility operated in accordance with Chapter 3734. of the Revised Code and rules adopted thereunder.

(b) The deposition of solid wastes that consist of scrap tires into waters of the state, and also means the
final deposition of scrap tires on or into the ground at any place other than a scrap tire collection, storage, monofill, monocell, or recovery facility licensed under section 3734.81 of the Revised Code, or at a site or in a manner not specifically identified in division (C)(2), (C)(3), (C)(4), (C)(5), (C)(7), or (C)(10) of section 3734.85 of the Revised Code, or at any licensed solid waste facility if the deposition is not in accordance with Chapter 3734. of the Revised Code and rules adopted thereunder.

(c) The deposition of solid wastes that consist of scrap tires in buildings, trailers, or other vehicles, unless for fewer than fourteen days at a scrap tire transporter's registered business location, a licensed scrap tire facility, or an unregistered scrap tire facility operating in accordance with Chapter 3734. of the Revised Code and rules adopted thereunder.

(d) The deposition of untreated or treated infectious wastes into waters of the state, and also means the final deposition of untreated or treated infectious wastes on or into the ground at any place other than a licensed solid waste facility operated in accordance with Chapter 3734. of the Revised Code and rules adopted thereunder.

(6) "Operator" or "facility operator" means any person who has supervisory authority or the authority to make discretionary decisions concerning the construction, operation, maintenance, or monitoring of a solid waste facility, C&DD facility, infectious waste treatment facility, or scrap tire transportation business.

(7) "Owner" means the person who holds title to the land on which the solid waste facility, C&DD facility, infectious waste treatment facility, or scrap tire transportation business is located or the person who owns a majority or controlling interest in the facility or business.

(P)

(1) "Parameter" means a measurable factor of a liquid, gas, or solid such as temperature, pH, length, or elevation, and includes constituents of the liquid, gas, or solid.

(2) "Permitting authority" means the director.

(3) "Person" includes the state, any political subdivision of the state or other state or local body, the United States and any agency or instrumentality thereof, and any legal entity or organization defined as a person under section 1.59 of the Revised Code, or other entity.

(4) "Premises" means either of the following:

(a) Geographically contiguous property owned by the same person.

(b) Noncontiguous property that is owned by the same person and connected by a right-of-way that the person controls and to which the public does not have access. Two or more pieces of property that are geographically contiguous and divided by one or more public or private right-of-way are a single premises.

(5) "Professional engineer" means an individual authorized to practice the profession of engineering pursuant to Chapter 4733. of the Revised Code.

(6) "Public water supply well" means any well connected to a public water system as defined by division (A) of section 6109.01 of the Revised Code.

(Q) [Reserved.]
(R) "Registrant" means any person to whom a registration has been issued.

(S)

(1) "Scrap tire" has the same meaning as section 3734.01 of the Revised Code.

(2) "Solid waste" has the same meaning as section 3734.01 of the Revised Code.

(3) "Solid waste disposal facility" means any site, location, tract of land, installation, or building used for incineration, composting, sanitary landfilling, or other approved methods of disposal of solid wastes.

(4) "Solid waste facility" means a site, location, tract of land, installation, or building used for incineration, composting, sanitary landfilling, or other methods of disposal of solid wastes or, if the solid wastes consist of scrap tires, for collection, storage, or processing of the solid wastes; or for the transfer of solid wastes.

(5) "Solid waste management district" means a county that has established a resolution, or joint counties that have entered into an agreement, for the purposes of preparing, adopting, submitting, and implementing a solid waste management plan for the county or joint counties and for the purposes of providing for, or causing to be provided for, the safe and sanitary management of solid waste within all of the incorporated and unincorporated territory of the county or joint counties and in compliance with Chapters 343. and 3734. of the Revised Code.

(6) "Surface water" means any water on the surface of the earth.

(T) [Reserved.]

(U) [Reserved.]

(V) "Variance" means an action of the director that changes a requirement of a rule adopted under Chapter 3734. of the Revised Code.

(W)

(1) "Water pollution" means the unpermitted release of sediment from disturbed areas, solid waste or waste-derived constituents, or leachate to the waters of the state.

(2) "Waters of the state" means all streams, lakes, ponds, wetlands, watercourses, waterways, wells, springs, irrigation systems, drainage systems, and all other bodies or accumulations of water, surface and underground, natural or artificial, regardless of the depth of the strata in which underground water is located, that are situated wholly or partly within, or border upon, this state, or are within its jurisdiction, except those private waters that do not combine or effect a junction with natural surface or underground waters, including those waters that are presently used, have been used, or are susceptible to use for transporting interstate commerce up to the head of navigation.

(3) "Water supply well" includes potable and non-potable water supply wells.

(4) "Wetland" has the same meaning as in rule 3745-1-02 of the Administrative Code.

(X) [Reserved.]

(Y) [Reserved.]

(Z) "Zone of saturation" or "saturated zone" means that part of the earth's crust in which all voids are filled with
water. Zone of saturation or saturated zone does not include the capillary zone.

(B) When issuing, denying, modifying, approving, or denying transfer of, or revoking a license or a permit to install for a solid waste facility, the director shall act in accordance with Chapters 119., 3734., and 3745. of the Revised Code, as applicable.

(C) When issuing, denying, modifying, approving, or denying transfer of, or revoking a license for a solid waste facility, the approved board of health shall act in accordance with Chapter 3734. and section 3709.20 of the Revised Code.

(D) When denying, revoking, or denying transfer of a license for a solid waste facility, the approved board of health shall provide, at a minimum, the following:

1. To the owner or operator of the facility or the applicant for the license or permit to install the following:
   1. Notice of the approved board of health's intent to deny or revoke a license or permit to install. This notice shall include a provision informing the applicant, owner, or operator of the right to a hearing prior to the issuance by the approved board of health of a final action denying or revoking a license or permit. This notice shall provide a period of thirty days in which to request a hearing.
   2. Upon request, a hearing, held in accordance with section 3709.20 of the Revised Code, at which the persons that have requested the hearing are provided the following:
      1. The right to appear in person, by attorney, or by other such representation permitted to appear before the approved board of health.
      2. The opportunity to present evidence at the hearing, including the testimony of witnesses under oath, and the opportunity to cross examine opposing witnesses.
      3. Following the rulings on the admissibility of evidence, the opportunity to proffer evidence that has been determined to be inadmissible.
      4. A stenographic record of the hearing.
   3. Prior to the issuance of a final action and subsequent to a hearing conducted by a referee or examiner in accordance with division (B) of section 3709.20 of the Revised Code, written recommendations
presented to the approved board of health and an opportunity to submit written objections.

(d) A copy of the final action of the approved board of health regarding the denial or revocation of the license or permit, with findings of fact and conclusions of law based on the hearing held in accordance with section 3709.20 of the Revised Code. The copy with a statement of how and within what time period the final action may be appealed to the environmental review appeals commission shall be sent by certified mail or any other form of mail accompanied by a receipt. Such copy and statement shall also be sent by certified mail or any other form of mail accompanied by a receipt to persons who have requested a hearing.

(2) To persons who have requested a hearing, upon receipt of a written signed request for a hearing, notice of the hearing date, time, and place not later than twenty days prior to the hearing.

(A) Applicant procedures.

(1) A request to alter the solid waste permit to install, and subsequent revisions to the request, shall be submitted in writing to Ohio EPA. Revisions to the request shall be accompanied by the following:

(a) An index listing each change and the page where each change occurred.

(b) For plan drawings, a schedule on the drawing indicating what has changed.

(2) A request to alter the permit to install shall include a certification statement and signature in accordance with rule 3745-500-50 of the Administrative Code.

(3) Upon request from Ohio EPA, the applicant shall submit additional and identically complete copies of the request to alter the permit to install.

(B) Ohio EPA procedures for acting on a request to alter a solid waste permit to install.

(1) Ohio EPA may decline to act on the request to alter a permit to install.

(2) Ohio EPA shall not concur with a request to alter a permit to install unless Ohio EPA determines that the following criteria are satisfied:

(a) The request to alter a permit to install is at least equivalent to the applicable rule requirements.

(b) The request is not for a modification.

(c) The alteration will not interfere with the ability of the applicant, owner, or operator to construct, operate, and close the facility in accordance with Chapter 3734. of the Revised Code and rules adopted thereunder, and with the terms and conditions of the permit to install.

(d) The alteration will not interfere with the ability of the applicant, owner, or operator to comply with Chapters 3704., 3714., 3734., and 6111. of the Revised Code and rules adopted under those chapters.

(3) When determining whether to concur with an alteration, Ohio EPA may consider the owner's and operator's compliance with Chapters 3704., 3714., 3734., and 6111. of the Revised Code, the rules adopted under those chapters, and any authorizing documents.

(4) Upon Ohio EPA's concurrence with a request to alter a permit to install, Ohio EPA shall retain and distribute copies of the alteration request and any altered drawings and information pursuant to rule 3745-500-130 of the Administrative Code.

3745-500-210  Variances for solid waste facilities.

(A) An application for a variance for a solid waste facility shall include the following:

(1) The provision or provisions of the state law for which the variance is requested.

(2) Information regarding the reason and justification for the variance.

(3) Any other pertinent data regarding the application required by the director.

(4) A certification statement and signature in accordance with rule 3745-500-50 of the Administrative Code.

(B) In accordance with division (S)(1) of section 3745.11 of the Revised Code, the nonrefundable fee shall be paid at the time the application for a variance is submitted. If the application for a variance is part of an application for a permit to install, the variance application fee shall be paid in addition to the permit to install application fee.

(C) The director shall issue, renew, or deny an application for a variance or renewal of a variance for a solid waste facility not later than six months after the date upon which the director receives a complete application with all pertinent information and data required unless the application for a variance is part of an application for a permit to install. If an application for a variance is part of an application for a permit to install, the director shall issue, renew, or deny an application for a variance or renewal of a variance concurrent with a final or proposed action on the permit to install application.

(D) When issuing a variance for a solid waste facility, the director shall act in accordance with Chapters 119., 3734., and 3745. of the Revised Code, as applicable.

Termination of a permit to install issued under Chapter 3734. of the Revised Code.

(A) A permit to install issued under Chapter 3734. of the Revised Code for a new facility shall terminate three years after the effective date of the permit to install if the owner or operator has neither undertaken a continuing program of installation nor entered into a binding contractual obligation to undertake and complete within a reasonable time a continuing program of installation of the new facility.

(B) The owner or operator may request an extension of the termination date. Such request shall be submitted to the director and provide justification for the extension of time and an analysis demonstrating that the facility meets all applicable siting criteria and design standards established in the rules in effect on the date the permit to install is to expire.

(C) The director may extend the termination date of a permit to install for a period of time not to exceed twelve months if the director determines that the owner or operator has adequately justified an extension of time and has demonstrated that the facility meets all applicable siting criteria and design standards established in the rules in effect on the date the permit to install is to expire.

Administrative change to a permit to install.

(A) The permitting authority may make an administrative change to a permit to install in order to do the following:

(1) Update or correct administrative information including but not limited to the telephone number, address, or name of the facility, the name of the owner or operator or person to whom the permit to install has been issued, or other facility contact information.

(2) Correct typographical errors contained in a permit to install.

(B) Procedures for requesting an administrative change to a permit to install. Unless a transfer of a permit to install has been approved, a person to whom a permit to install has been issued shall do the following:

(1) Submit a written request for an administrative change to the permitting authority. The request shall include a copy of the information proposed to be administratively changed with the desired change, and all locations in the permit to install where the change is proposed.

(2) If the approved board of health is the permitting authority, notify Ohio EPA of the submittal of a request for an administrative change concurrent to initially submitting the request to the approved board of health. The notification shall be in writing and shall contain sufficient detail to understand the scope and nature of the request.

(3) Upon request from Ohio EPA or the approved board of health, submit additional and identically complete copies of the request for an administrative change.

(4) If the permitting authority makes the administrative change, retain a copy of the administrative change with the permit to install.

(C) Permitting authority procedures are as follows:

(1) The permitting authority shall make an administrative change to a permit to install after approving transfer of a permit to install to update administrative information including but not limited to the name, address, and contact information of the permittee.

(2) The permitting authority may make an administrative change to a permit to install when requested by a permittee or when the permitting authority discovers the need for an administrative change. The permitting authority may decline to make a requested administrative change.

(3) Upon making an administrative change to a permit to install, the permitting authority shall provide written notification to the permittee of the administrative change.

(4) Copies of the changed pages shall be retained and distributed pursuant to rule 3745-500-130 of the Administrative Code.
