Respondent.

**PREAMBLE**

These Director's Final Findings and Orders ("Orders") are hereby issued to Walgreen Company ("Respondent") pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency ("Ohio EPA") under Ohio Revised Code ("ORC") Chapter 6111 and Section 3745.01.

**PARTIES BOUND**

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law. No change in ownership relating to the sewer line referenced in this document shall in any way alter Respondent's obligations under these Orders. Respondent's obligations under these Orders may be altered only by the written action of the Director of Ohio EPA.

**FINDINGS**

1. Respondent is the developer of the Walgreens Distribution Center located near the intersection of State Route 795 and Oregon Road, in Perrysburg Township, Wood County, Ohio.
2. Ohio Administrative Code ("OAC") Rule 3745-31-02 requires the Director's issuance of a PTI prior to the installation of a new "disposal system," as defined in ORC Section 6111.01(G).
3. ORC Section 6111.07(A) prohibits any person from violating, or failing to perform, any duty imposed by ORC Sections 6111.01 to 6111.08, or violating any rule issued by the Director pursuant to those sections, including OAC Rule 3745-31-02.
4. On July 20, 2001, Ohio EPA received from Respondent an application for a permit to install ("PTI") a sanitary sewer extension (PTI Application 03-12994) to serve the Walgreens Distribution Center.

5. The sanitary sewer extension contained in PTI Application 03-12994 is a "sewerage system" and a "disposal system" as defined in ORC Sections 6111.01(E) and 6111.01(G), respectively.
6. On July 24, 2001, an inspection by a representative of Ohio EPA's Northwest District Office at the location of the Walgreens Distribution Center revealed that Respondent had commenced construction of the sanitary sewer extension contained in PTI Application 03-12994.
7. On October 23, 2001, the Director issued to Respondent PTI No. 03-12994.
8. On November 8, 2001, Ohio EPA notified Respondent via certified mail that the installation of the sanitary sewer extension to serve the Walgreens Distribution Center was in violation of ORC Chapter 6111 and OAC Rule 3745-31-02.
9. Respondent violated OAC Rule 3745-31-02 and ORC Section 6111.07(A) by installing a sanitary sewer extension at the Walgreens Distribution Center without first receiving plan approval and a PTI from the Director.
10. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with these Orders and to evidence relating to conditions expected to result from compliance with these Orders, and its relation to the benefits to the people of the state to be derived from such compliance in accomplishing the purposes of ORC Chapter 6111.

### ORDERS

2. Within thirty (30) days of the effective date of these Orders, Respondent shall pay the amount of one thousand dollars (\$1,000.00) in settlement of Ohio EPA's claim for civil penalties, which may be assessed pursuant to ORC Chapter 6111. ### **OTHER APPLICABLE LAWS**

All actions required to be taken pursuant to these Orders shall be taken in accordance with the requirements of all applicable local, state, and federal laws and regulations. Nothing in these Orders shall be construed as waiving or compromising in any way the applicability and enforcement of any other statutes or regulations applicable to Respondent and its operations.

### **RESERVATION OF RIGHTS**

These Orders do not prevent Ohio EPA from enforcing the terms of these Orders or from taking other administrative, legal or equitable action as deemed appropriate and necessary, including seeking penalties against Respondent for noncompliance with these Orders. These Orders do not prevent Ohio EPA from exercising its authority to require Respondent to perform additional activities pursuant to Chapter 6111. of the Ohio Revised Code or any other applicable law in the future. These Orders do not restrict the right of Respondent to raise any administrative, legal or equitable claim or defense for any additional activities that Ohio EPA may seek to require of Respondent. These Orders do not limit the authority of Ohio EPA to seek relief for violations not cited in these Orders.

These Orders are not, and shall not be construed to be, a permit, plan approval or other authorization issued pursuant to any statute or regulation. These Orders specifically do not authorize the construction of any new disposal system or sewerage or treatment works for sewage disposal at the Facility or any other location. Respondent must obtain all permits, approvals and authorizations as required by law. Ohio EPA reserves all rights, privileges and causes of action except as specifically provided herein.

### **TERMINATION**

The Respondent's obligations under these Orders shall be satisfied and terminated when the Respondent demonstrates in writing and certifies to the satisfaction of the Ohio EPA that it has satisfied all its obligations under these Orders and that it has, subsequent to the issuance of these Orders, complied with OAC Rule 3745-31-02 for a period of twelve (12) consecutive months, and the Chief of Ohio EPA's Division of Surface Water acknowledges the termination of these Orders in writing.
