

## REGISTERED USED OIL COLLECTION CENTERS

Ohio EPA, Division of Environmental Response and Revitalization (DERR), maintains this list of registered used oil collection centers. This information is provided by the company and may not be current. Please note that this list is only a partial representation of used oil collection centers. This list is not an endorsement or approval of these facilities by Ohio EPA. Users of this list are encouraged to research the compliance status of any company they choose.

If you wish to be added to the list, please refer to DERR [instructions to register](#) for a used oil collection center. These instructions can also be obtained by calling (614) 644-2924.

**Definitions:**

**Used Oil** - any oil that has been refined from crude oil, or any synthetic oil that has been used and as a result of that use, is contaminated by physical impurities.

**Do-It-Yourselfer** - a person who generates used oil through household activities, including maintenance of personal vehicles.

**Used Oil Collection Center** - any site or facility registered with the State of Ohio to manage used oil and accepts or aggregates and stores used oil collected from used oil generators who transport no more than 55 gallons per visit. Centers may also accept used oil from Do-It-Yourselfers or farmers.
