5. Ohio EPA issued Respondent the PTI on December 22, 2008.

The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with these Orders and to evidence relating to conditions calculated to result from compliance with these Orders, and its relation to the benefits to the people of the State to be derived from such compliance in accomplishing the purposes of ORC Chapter 6111.

V. ORDERS

1. Respondent shall not install sewerage, or treatment works for sewage disposal or new disposal systems, including, but not limited to, sanitary sewers, at any location in Ohio without first receiving prior approval from the Director as required by law. Respondent may request termination of this Order in accordance with the provisions of Section VI by demonstrating compliance with this Order for a period of one (1) year from the effective date of these Orders.
2. Respondent shall pay to the Ohio EPA the amount of two thousand five hundred dollars (\$2,500) in settlement of the Ohio EPA's claim for civil penalties, which may be assessed pursuant to Chapter 6111 of the Ohio Revised Code. Payment shall be made by tendering an official check made payable to "Treasurer, State of Ohio" for the full amount within thirty (30) days after the effective date of these Findings and Orders to the following address: Ohio EPA, Office of Fiscal Administration, P.O. If Ohio EPA does not agree that all obligations have been performed, then Ohio EPA will notify Respondent of the obligations that have not been performed, in which case Respondent shall have an opportunity to address any such deficiencies and seek termination as described above. The certification shall contain the following attestation: "I certify that the information contained in or accompanying this certification is true, accurate and complete." This certification shall be submitted by Respondent to Ohio EPA and shall be signed by a responsible official of Respondent. For purposes of these Orders, a responsible official is a corporate officer who is in charge of a principal business function of Respondent.

Compliance with these Orders shall be a full accord and satisfaction of Respondent's liability for the violations specifically cited herein.

Respondent hereby waives the right to appeal the issuance, terms and conditions, and service of these Orders, and Respondent hereby waives any and all rights Respondent any have to seek administrative or judicial review of these Orders either in law or equity.

Notwithstanding the preceding, Ohio EPA and Respondent agree that if these Orders are appealed by any other party to the Environmental Review Appeals Commission, or any court, Respondent retains the right to intervene and participate in such appeal.
